Services - AB Solar Consulting

We only use and hire out Gayk or Orteco Turchi piling machines, purposely designed for solar and crash barrier works. We pride ourselves on being able to not only provide machinery and labour but help advise and support you throughout your project with our combined piling experience and geotechnical knowledge.

About Us

The team here at AB Solar have built over 100 utility scale solar farms ranging from 5MW- 75 MW. The director has overseen the mechanical install of over a gigawatt of photovoltaic ground mounted systems, whilst also providing project management, advice and consultation.
