Top-quality sandwich panels in Bangladesh

Looking for top-quality sandwich panels in Bangladesh? Look no further! Our experienced team at Sandwich Panel Trade Link BD is dedicated to manufacturing high-performance sandwich panels for various applications. From

construction projects to industrial facilities, our panels offer superior insulation, durability, and aesthetic appeal.

Fair Insulation Technology

A sandwich panel is any structure made of three layers: a low-density core, and a thin skin-layer bonded to each side. Sandwich panels are used in applications where a combination of high structural rigidity and low weight is required.
