BW Solar

BW Solar operates under the following key development principles: Specific target markets: We limit project development efforts to carefully selected markets. Early-stage projects: We only engage in the development of greenfield or very early-stage development projects. Quality over quantity: We focus our development efforts on a few high-quality opportunities over the ...

British Indian Ocean Territory

The laws of the territory are based on the constitution, currently set out in the British Indian Ocean Territory (Constitution) Order 2004, which gives the Commissioner power to make laws for the peace, order and good government of the territory. [67] [66] [68] If the Commissioner has not made a law on a particular topic then, in most circumstances, the laws that apply in the ...
