## INVENIC

INVENIC is an environmental construction company providing the design and installation of efficient remediation and solar electrical systems. We are comprised of environmental professionals sharing the common goal of improving the urban environment by creating alternatives for a sustainable future.

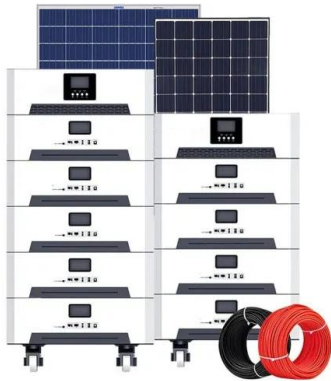

## INVENIC INC (@invenicsolar) o Instagram photos and videos

As early in 2009, Invenic Inc started our 1st solar street light Project in the Philippines. Solar Street lights are being widely used to light up street, lawns, parks, etc. These solar street lights consume no power from the grid and work solely on the solar power. They also eliminate the need for underground cabling and multiple switching

points.
