**Can the bay window be
smashed and turned into a
storage cabinet**

Overview

Learn how to recreate the built-in bay window bench that helped to add extra seating to our breakfast nook plus hidden storage for small appliances.

Learn how to recreate the built-in bay window bench that helped to add extra seating to our breakfast nook plus hidden storage for small appliances.

In a more suburban or rural setting, a floor-to-ceiling bay window with no window treatments can push a space right into the backyard, with no interruption even near ground level. The gloss finish on this floor highlights the effect, while the transom breaks up the height of the bays.

Learn how to build a window seat with storage in your bay window. This easy to follow tutorial will have you enjoying a window bench before you know it.

To add on to its functionality, include some cabinets for storage space. Designed by Design 4 Space. If you have an extra room with bay windows, turn it into a hangout room with benches so you can sit around and chill with friends. Fish enthusiasts can add a classy aquarium into the space to have a calming effect.

Install shelves or cabinets above or beside the window to store your art supplies. Consider installing roller shades or blinds that allow you to control the amount of natural light entering the space depending on your needs. Pros: Provides excellent natural light, essential for artistic endeavors. Should you put a bench beside a bay window?

Designed by U-Home Interior Design A bench can also be incorporated beside your bedroom bay window. This provides an extra area for you to sit and unwind before retreating to your bed for a good night's rest. To add on to its functionality, include some cabinets for storage space. Designed by Design 4 Space.
