Can the hollow TV cabinet store things

Overview

Luckily, an old TV stand is the perfect solution. All you need to do is add some extra shelves to store your dishes and other items. Because these stands were designed to hold bulky televisions, you could also use the space to store heavy, clunky countertop appliances like stand mixers, microwaves, slow cookers, and so on.

For each project, we have tried to provide you with before and after pictures and step-by-step directions. 1. TV Cabinet to Linen Cabinet. Don't get rid of your old TV armoire. They make great linen cabinets where you can store towels, bathrobes and vanity products.

Storage media consoles and TV stands are life-changing additions to any living space. These tables allow you to express your interior style and corral all the unsightly, though necessary, tech gadgets in one succinct space. Plus, you can find storage TV stands in virtually every size, finish and price point to suit your needs.

Upcycle your small TV cabinet into the perfect bedtime table with extra storage. Get tutorial [here](#).

Placing baskets on the shelves of your entertainment center under the TV is a game-changer, and it keeps items like remotes, video games, and coasters under control. Bins are especially helpful when you do not have doors on your entertainment center to hide the messes when they get a tad out of control. What can you store in an old TV stand?

Are big TV cabinets good for clothes storage?

Indeed, big TV cabinet make great armoires for clothes storage. I found them especially useful as children clothes storage solution. You can keep the doors or remove them for easier access to your baby's clothes. Those who have tried to open a closet with a baby in their arms will understand.

Should you put shelves under a TV stand?

Although an under TV stand probably came with shelves to assist with organization, it doesn't take long for it to become cluttered and messy. People tend to throw random items under the TV stand when attempting a quick clean-up, but storage bins and baskets placed on the shelves can sort this issue out. When in doubt, shut the barn doors.
