Chinese University Basketball Association League (CUBAL) is the highest level of university basketball competition in China. It is a professional basketball league that was established in 2002. The league is divided into two groups: the CUBA League and the CUBAL League. The CUBA League is the highest level of competition, while the CUBAL League is the second highest level. The league is organized by the Chinese Basketball Association (CBA).

Cuba, officially the Republic of Cuba, is an island country, comprising the island of Cuba (largest island), Isla de la Juventud, and several smaller islands surrounding the main island. It is located where the northern Atlantic Ocean, the Caribbean Sea, and Atlantic Ocean meet. Cuba is located east of the Gulf of Mexico, south of both the United States and Mexico, west of Haiti, and west of the Dominican Republic.
