District Photovoltaic Bracket Installation Tender

Overview

Where can I find a tender for a solar project?

The Bidstat website aggregates tender listings from the OJEU TED database, the UK Contracts Finder and the new Find a Tender service. The state-owned Solar Energy Corporation of India publishes tender listings and results for government projects, sorted by the submission deadline.

Why are solar photovoltaic (PV) tenders becoming more popular?

Protecting the environment and developing the green economy is becoming a focus for businesses and property owners as well as utilities and governments. This is driving an increase in the number of solar photovoltaic (PV) tenders being issued to award contracts for project construction and maintenance.

Does Sunderland City Council have a solar tender?

Searching for solar shows that Sunderland City Council published a £2 million tender on January 25 for the supply, installation and maintenance of solar PV and battery storage systems at a number of council premises and sites.

Can versol mount a photovoltaic power station?

Versol's V-Basic mounting system can be applied to photovoltaic power station in different terrain and environment. The product range includes a wide range of models and styles, and is highly adaptable.

How do I find public sector tenders in the UK?

In the UK, the Contracts Finder search function on the gov.uk website lists public sector tenders, allowing you to search for open listings and sort results by publication date or closing date.

Where can I find public sector tenders in Europe?

In Europe, public sector tenders over a certain value (€428,000 for energy)

must be published in the Official Journal of the European Union (OJEU). These are listed in the searchable Tenders Electronic Daily (TED) database.
