

European Solar and Energy Storage Solutions

Finco energies Lesotho

Overview

Who is fincoenergies?

We are an independent, leading provider of sustainable energy solutions. Our mission is to propel our customers' transition towards a better world. At FincoEnergies we focus on providing low-carbon fuels, other energy and decarbonisation solutions.

Who owns fincoenergies?

FincoEnergies was founded by Coloured Finches, an energy investment company that holds the majority of the shares. Together with the investment company Pontex Investment Partners and the management investment program, they form a very committed group of shareholders.

What makes fincoenergies a sustainable company?

Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape. Our DNA is woven with a dedication to sustainability, reflected in our evolving strategies aligned with the UN Sustainability Goals (SDGs). These goals are the compass guiding our actions.

What's new at fincoenergies?

We have extended our presence to Singapore, completed initial deliveries in the United States, and embarked on new ventures, including bio-methanol and biomass, to broaden and diversify our range of services. Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape.

Finco energies Lesotho

Annual Report 2022

We proudly present our Annual Report 2022. Our 4th edition. Whoever does business, forms chains. Feedstock chains, supply chains, production chains - products and services pass through many links, before they reach the end consumer. Chains vary in complexity, but the goal is circularity: reusing materials, minimizing waste, and upholding ...

FincoEnergies, A leader in sustainable energy solutions

We want to propel our customers' transition towards a better world. The name Finco is derived from the beautiful colourful finches that Charles Darwin discovered on the Galapagos Islands, and which are a classic example of surviving by continually adapting to new situations.
