Free installation of rooftop photovoltaic panels

Overview

How to avoid burning a hole in your pocketbook and protect yourself from consumer scams about free solar panels.

The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested. However, the federal government does not offer.

Over recent years, solar energy has seen a rise in interest as more Americans learn of its immense cost-saving and carbon-cutting potential. Through our solar office, the U.S. Department of Energy (DOE) offers several programs to.

The federal government does not provide free solar panels, but does provide incentives that reduce the cost of going solar.
