### Amorge? Custom batteries? : r/hyperebikes

I saw either here or in r/ebikes people recommending amorge for a custom built battery, and I tried messaging them through the website, and through the web chat.. AND email, that was a few days ago and no response. Is this website/company legit. Does anyone have any other recommendations for acquiring a 72v 50+amp 25ah(min) triangle battery?

## **Amorge? Custom batteries? : r/hyperebikes**

It has bluetooth so you can see the data on your phone while riding. He has a lot of experience with all build types. He works fast and affordably, and uses pretty high quality cells. He can make you pretty much any battery size or config you need. I had him upgrade my sons razor mx350 with a huge motor and a nice 15ah pack for a really good price.

## **Batteries with Metal Box**
