

**European Solar and Energy Storage Solutions**

# **Haier Solar Photovoltaic Panel Franchise**

## Overview

---

When is Haier launching a photovoltaic energy storage system?

At the beginning of November 2022, Haier's photovoltaic energy storage system solution was debuted for the first time at the Christmas season appreciation meeting of Haier's European markets and was warmly welcomed by Haier's channels in various countries, and so many channels rushed to inquire and place orders.

Are solar energy franchises white-collar?

There are many solar energy franchise opportunities that are white-collar in nature, meaning franchises are only responsible for bringing in the customers, then the corporate office takes it from there. As Arvo Solar states, "As the franchisor, Arvo Solar does all of the heavy lifting!.

When will Haier's new energy storage system products arrive in Europe?

On January 13th 2023, the first batch of overseas energy storage system products of Haier's new energy brand—Nahui New Energy, was shipped to the Czech Republic on schedule and is landing in Europe.

How Nahui new energy integrates with Haier smart home?

On the other hand, through the integration with Haier Smart Home's local service software "HON" APP, Nahui New Energy perfectly integrates smart power functions on the basis of smart home appliance control to form a real smart home green life solution. "Energy storage will play a key role in solving the European energy crisis."
