TV stand solution, cabinet combo or storage for a whole living room?

Plan and visualize any project, big or small, with our easy-to-use planner tool. Every home comes with its special set of angles and measures. Luckily, the BESTÅ system adapts to just about any space.

BESTÅ cabinet, white, 235/8x153/4x791/2" Open shelving for many purposes - as a bookshelf or why not as a display case for your favorite things. Use it on its own or adapt this ready-made BESTÅ combination to suit your needs and taste using the BESTÅ planning tool.

Doors both protect and decorate - choose a door that matches well with your home and storage combination. You can choose to use either the soft-closing or push-open function. The push-opener lets you open the doors with just a light push, while the soft-closing hinges makes sure they close silently and softly.

Here's how we used Besta cabinets from Ikea to make media cabinet storage and built-ins for our bedroom. Such easy storage!What is IKEA Besta?

2. IKEA BESTA IKEA BESTA is a modular storage system that could be used to create any number of pieces, from an entertainment unit to a sideboard to a bookshelf and more. They can be used as open shelves or there are a ton of door options to choose from for closed off storage, and there are even glass door choices for a the best of both worlds!.

What are Besta shelves used for?

They can be used as open shelves or there are a ton of door options to choose from for closed off storage, and there are even glass door choices for a the best of both worlds! We explained how we designed our BESTA system in this post, and IKEA also has an online BESTA planner tool [here](#).

Are IKEA storage systems worth it?

IKEA storage systems have help us organize and decorate our houses and get the look of custom closets and built-ins on a budget! My favorites-- the ALGOT, BESTA, and PAX storage systems-- have helped us to make the most of every inch of space in our homes!.

Will IKEA remove Besta?

IKEA should remove & refund BESTA when they deliver BILLY! The product is nice, but this is simply impossible to put together. I've been working for hours trying to keep the backing board in the grooves, and I'm a very handy person. Do yourself a favor - if you need a cabinet this tall, get the small cubes and stack them on top of each other.

Which IKEA box should I buy?

DRÖNA Box 93/4×133/4×93/4". This velvet-like fabric box creates a soft impression — regardless if you place it in your walk-in closet or in the living room. Ideal in BILLY bookcase (depth 11") and BESTÅ storage (depth 153/4"). IKEA products are designed to be taken home and assembled by you. That way, you'll save the most money.
