

European Solar and Energy Storage Solutions

Ireland aggreko ets

Overview

What is Aggreko ETS?

Aggreko ETS is a partnership between Aggreko and Farmers Powering Communities to accelerate community solar projects and drive the energy transition in America. Aggreko will provide a mix of technologies including solar, battery and B100 biofuel as the main sources of energy for the event, enabling nearly 10,680L of fossil fuel savings.

Who is Aggreko energy transition solutions?

Aggreko Energy Transition Solutions (ETS), a division of Aggreko Ltd., develops, owns, and operates utility scale and distributed solar and battery storage projects across the United States. ETS generates value by providing turnkey energy transition solutions to its customers that deliver affordable, reliable, and clean power.

Who is Aggreko?

Aggreko is a global leader in providing energy solutions that help businesses grow and communities thrive. Operating in a rapidly changing energy market where reliable supplies of energy have never been more critical, we provide customers with power and temperature control solutions when, where and for however long they need it.

What is Aggreko Ireland Limited?

Aggreko Ireland Limited is a company set up on Monday the 17th of November 2003 with a current partial address in Dublin. The company status is Normal. Aggreko Ireland Limited has been directed by the current directors, who have not been directors of any other Irish companies. The company has 1 shareholder.

Why should you choose Aggreko?

At Aggreko we deliver energy solutions so businesses can grow and

communities can thrive. Mines, data centres, sporting events, manufacturing sites – even whole cities – need electricity around the clock. Reliable supplies of energy have never been more critical.
