Stepping Back: Product, Collections and Credit Risk in PAYGo Solar ...

As financial services investors who have researched and invested in the off-grid solar industry, we read with great interest Daniel Waldron's blog post on credit risk in pay-as-you-go (PAYGo) solar. While we agree with the post's argument that PAYGo solar companies can lower delinquency rates by improving their risk management practices, we believe that even ...

Partnering to build Malawi's premier PAYGo solar company

Partnering to build Malawi's premier PAYGo solar company Supporting early-stage innovators to develop income-generating energy technologies is at the core of Shell Foundation's strategy. Alongside the UK's Foreign Commonwealth and Development Office, through the TIME partnership, we have been supporting VentureBuilder since 2019.

Making Sense of PAYGo Solar Business Models

The same goes for this strange new breed of companies that offer pay-as-you-go (PAYGo) solar home systems (SHS). Born out of necessity, these companies bring together modern electricity generation options (solar

photovoltaics) that are relatively new to base-of-pyramid (BOP) markets, familiar business models (hire-purchase or lease-
