Longi photovoltaic bracket installation method

Overview

What is the installation manual for LONGi Solar PV modules?

Page 1 Installation Manual for LONGi Solar PV Modules. Page 2 • This manual elaborates on installation and safety use information for PV power generating modules (hereinafter referred to as module) of LONGi Solar Technology Co., Ltd. (hereinafter referred to as LONGi). Please abide by all safety precautions in this guide and local regulations.

Can Longi photovoltaic modules produce DC current under sunlight?

Page 9 INSTALLATION MANUAL FOR LONGi PHOTOVOLTAIC MODULES OF DG 3.4 Electrical Performance Safety PV modules can produce DC current under sunlight. Any contact of exposed metal at module's wiring parts may result in electrical shock or burn. Any contact of 30 V or larger DC Voltage can be fatal.

What if a Longi PV module is broken?

To inform the LONGi customer service personnel within two weeks when modules are found broken or other significant abnormality. Refer to the □LONGi PV Module Operation and Maintenance Manual□ for details on module maintenance.

What is the application level of LONGi Solar module?

The application level of LONGi Solar module is Class II, which can be used in systems operating at > 50 V DC or >240 W, where general contact access is anticipated; When the modules are for rooftop application, it is necessary to take the overall fire rating of the finished structure as well as operation and maintenance into account.

Where can I find the latest version of the longi installation manual?

It is recommended to visit our website regularly at for the latest version of this installation manual. If customers fail to install modules as per requirements

set forth in this manual, the limited warranty provided for customers will be invalid.

What is the standard line length of a PV module?

Standard line length: 60 PV module: 1m 72 PV module: 1.2m Vertical
Installation: Standard line length (Note: One end of the single row needs to be extended).

Longi photovoltaic bracket installation method

LONGi Solar-LONGi ROOF Product

Full roof laying photovoltaic modules, free bracket, quick installation, The photovoltaic roof can be stepped on, no need to reserve maintenance channels, The module has no frame, so it does not accumulate dust and can generate ...

LONGI LR6-60 M SERIES INSTALLATION MANUAL Pdf ...

Horizontal Installation: 60 type PV module cable length $\geq 1.2\text{m}$, 72 type PV module cable length $\geq 1.4\text{m}$, 78 type PV module cable length $\geq 1.5\text{m}$ Vertical Installation: Method 1: Standard cable length
