

European Solar and Energy Storage Solutions

Longi solar technology co ltd Cocos Keeling Islands

Test certification
CE  FC 

Overview

Who manufactures LONGi Solar panels?

LONGi Green Energy Technology manufactures LONGi Solar panels. They have been in business for 18 years and their latest model is the Longi 370w solar panel Mono PERC panels. LONGi has grown faster than any other maker in the world.

Who is Longi Green Energy?

LONGi Green Energy is a solar company that manufactures, designs and markets solar monocrystalline silicon. The company's product portfolio includes silicon wafers, photovoltaic (PV) modules, and alkaline water electrolyzers. Its PV modules comprise Hi-MO 5, Hi-MO 4, and Hi-MO 4m.

Where is LONGi Solar headquartered?

LONGi Solar has its headquarters in Xi'an, China. The Company's module shipment in 2018 ranked top 4 in the world, and mono module shipment has remained No.1 in the world from 2016 to 2018. LONGi Solar has branches in Japan, Germany, America, India, Malaysia, and Australia.

Why should you choose LONGi Solar?

Longi's bankability, reputation, quality, and service guarantees that our clients will be pleased with their purchase and get the funds needed to complete their projects without issue. Company profile for solar panel and material manufacturer LONGi Solar Technology Co., Ltd. - showing the company's contact details and offerings.

What services does Longi Green Energy offer?

LONGi Green Energy offers services such as technical consultation, after-sales services, and contract energy management services. The company serves commercial, residential and utility-scale solar power plants, and other manufacturing industries. Its manufacturing units are located in China,

Vietnam and Malaysia.

What types of PV modules does Longi Green Energy offer?

Its PV modules comprise Hi-MO 5, Hi-MO 4, and Hi-MO 4m. LONGi Green Energy offers services such as technical consultation, after-sales services, and contract energy management services.

Solar Para Todos

Solar Para Todos "El sol nos da la luz de forma justa Pero la energía nunca se distribuye equitativamente En LONGi, abogamos por una distribución justa de la energía, distribuyendo la luz del sol que todos merecemos"

Solar Photovoltaic Panels , Manufacturing & Sales , LONGi Co., Ltd.

Founded in 2000, LONGi Co., Ltd. is a high-tech enterprise focusing on the research and development, manufacturing and sales of solar photovoltaic panels. The company is committed to providing sustainable energy solutions around the world to promote the popularization and application of clean energy.

About Us

Under the mission of "To make the best of solar energy to build a green world" with a brand positioning of "The most trusted, reliable solar company that blazes the trail for green technology," LONGi is developing solutions for large-scale power plants, for different industries

and households with its innovation-focused development.

Chronologie

LONGi fusionne avec Zhejiang LERRI Solar Technology Co., Ltd. et étend ses activités au secteur des cellules et modules solaires. 2015 Création de Xi'an LONGi New Energy Co., Ltd. (anciennement LERRI Solar Energy Co., Ltd.) ; l'entreprise commence à développer son activité dans le domaine de l'énergie solaire distribuée.
