Thailand MEA: Building a Highly-Reliable Power Communications ...

The Metropolitan Electricity Authority (MEA) in Thailand is a state-owned enterprise under the Ministry of Interior (MOI), and was established in 1958. The main business activity of MEA is electricity distribution in Bangkok, Nonthaburi, and Samut Prakan, covering a total area of approximately 3,192 square kilometers and serving 3.5 million

MEAEi

Investing in renewable energy not only reduces long-term energy costs but also contributes to a better future for Thailand and our planet. We offer comprehensive services ranging from consulting, design, and installation to maintenance to ensure our clients receive the most efficient and sustainable energy solutions.

New Order for Smart Metering Solution in Thailand

MEA, a state-owned energy utility group serving around 4 million customers in the city of Bangkok and two adjacent provinces, is deploying a Smart Metro Grid platform to
