MISOL

We are experts in designing, installing, and maintaining solar systems for small business / multifamily / commercial property owners & homeowners. We offer battery backup and grid-tied energy storage systems (BESS) in addition to re-roofs, HVAC, and other energy efficiency services that may compliment your solar photovoltaic system.

5 Best Solar Water Heaters for 2024

1. Best Overall - MISOL Solar Collector of Solar Hot Water Heater. The MISOL Solar Collector is what is known as a 'passive solar collector.' Rather than drawing energy from a solar panel and converting it into electricity that is used to heat the water, a passive system uses the sun's direct heat.
