

European Solar and Energy Storage Solutions

Nauru lucid energy inc

Overview

Who is Lucid Energy?

Lucid Energy is a provider of renewable energy systems. Our patented LucidPipe™ Power System enables industrial, municipal and agricultural facilities to produce clean, reliable, low-cost electricity from their gravity-fed water pipelines and effluent streams.

What happened to Lucid Energy?

Lucid Energy closed its last funding round on Aug 14, 2013 from a Venture - Series Unknown round. Who are Lucid Energy's competitors?

Alternatives and possible competitors to Lucid Energy may include Electra , Flume , and Flibe Energy, Inc. Creating a new way for industries particularly those that use large amounts of water and electricity.

How many employees does Lucid Energy Group have?

Lucid Energy Group has 5 employees across 3 locations and \$1.01 b in total funding. See insights on Lucid Energy Group including office locations, competitors, revenue, financials, executives, subsidiaries and more at Craft.

How many investors does Lucid Energy have?

Lucid Energy has 3 investors including Star Energy and OurCrowd. How much funding has Lucid Energy raised to date?

Lucid Energy has raised .

STARTUP CRIA MINI HIDRELÉTRICA DENTRO DE TUBULAÇÕES DE ...

A startup Lucid Energy em Portland, Oregon (EUA), desenvolveu um sistema que pode um dia estar em cidades de todo o país ou do mundo, recuperando a inexplorada energia que pode ser retirada de tubulações, oleodutos, entre outros - nas cidades, as áreas rurais ou nas indústrias - de forma limpa e renovável - sem afetar as operações.

Lucidpipe: Strom aus der Wasserleitung , Vattenfall

Laut Lucid Energy kann in einem Standard-60-Zoll-Rohr bei einer Strömungsgeschwindigkeit von sieben Metern pro Sekunde eine einzige LucidPipe-Einheit bis zu 100 Kilowatt Leistung erzeugen. Für ein System, bestehend aus mehreren Einheiten, verspricht das ...

Lucid Energy, Inc. , Portland, OR, US Startup

The LucidPipe(TM) Power System generates kilowatts of clean energy from an otherwise untapped resource: excess head pressure in gravity-fed water pipelines. Find investment information and connect with Lucid Energy, Inc., a Portland, OR, US based Clean Technology startup.

Lucid Energy Group

Lucid Energy is a provider of renewable energy systems. Our patented LucidPipe(TM) Power System enables industrial, municipal and agricultural facilities to produce clean, reliable, low-cost electricity from their gravity-fed water pipelines and effluent streams.

Lucid Energy's In-Pipe Hydropower Plant Begins Operation in ...

HydroWorld reported in March 2013 that Lucid Energy had received NSF/ANSI Standard 61 certifications for both its 24- and 42-inch LucidPipe models after testing by NSF International. "The industry is looking to Portland as an example of how all of these entities can partner to take advantage of in-pipe hydropower to generate investment returns and ...

Lucid Energy

Lucid Energy, Inc. is a provider of renewable energy solutions based on in-pipe hydropower. The company's patented LucidPipe™ Power System (LPS) enables municipal water agencies, industrial facilities and agricultural water users to

generate reliable, low-cost, carbon-free electricity from their gravity-fed water pipelines and effluent streams.

LUCIDPIPE POWER SYSTEM CASE STUDY

able energy produced by in-pipe hydropower in a municipal water pipeline. The patented LucidPipe turbines are specially designed to turn excess pressure in gravity-fed water pipelines into electricity - with no impact on water delivery. The Portland turbines are installed inside a section of large-diameter, gravity-fed water

Lucid Energy

Lucid Energy is a provider of renewable energy systems and a pioneer in the development of in-pipe hydropower with the LucidPipe Power System. Lucid Energy's patented LucidPipe Power System is a water-to-wire energy recovery solution that enables industrial, municipal and agricultural facilities to produce clean, reliable, low-cost

LUCIDPIPE POWER SYSTEM CASE STUDY

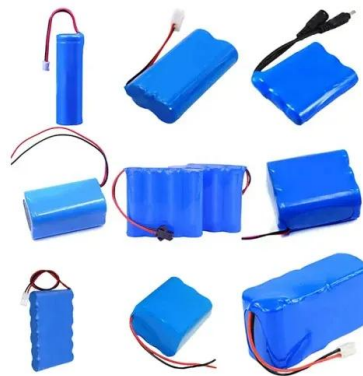

ing energy that would otherwise have been lost through the PRV, this placement of the LucidPipe system reduces the workload of the PRV and helps extend its life. Lucid Energy, Inc. o 2420 NE Sandy Blvd., Suite 203 o Portland, OR 97232 o
