Oman Shell launches 25 MW solar plant in Sohar Freezone

MUSCAT: Oman Shell launched the 25-MW Qabas solar plant at Sohar Port and Freezone, helping the hub become more sustainable and demonstrating the commercial benefits of solar power for industrial purposes. Owned by Shell, Sohar Solar Qabas is the company's first utility-scale, photovoltaic (PV) solar project in the Middle East and in Oman.

Solar EPC contractor commissions second project in Oman

The 25 megawatt (MW) capacity solar plant is located on a 50-hectare site within Sohar Freezone and consists of over 88,000 solar modules. The renewable electricity output from Qabas is supplied to a large ferrochrome production facility, displacing the equivalent gas-fired power generation taken from the grid and avoiding more than 25,000
