INNIO Group Strengthens US Presence with Northeast-Western Energy

Austrian engineering firm INNIO is set to acquire

Northeast-Western Energy Systems (NES-WES) from Penn Power Group. This strategic move aims to boost INNIO's presence in the US and enhance its offerings in distributed energy solutions, microgrids, and renewable technologies.

About Northeast & Western Energy Systems

Northeast-Western Energy Systems ("NES-WES") provides reliable, best in class electrical-thermal efficiencies, and low emission CHP and DG solutions from 300 kW through 10 MW. NES-WES was acquired by INNIO Jenbacher in 2023, offering stronger value and resources to the power generation and microgrid industries in the United States.
