Learn more at Origis Energy.

Who represented origis energy?

Latham & Watkins represented Origis Energy in the transaction, with Butler Snow serving as Local Counsel. Milbank, LLP acted as MUFG's counsel, with Baker Donelson serving as MUFG's Local Counsel. About Origis Energy Origis Energy is accelerating the transition to a carbon-free future by Reimagining Zero SM.

What is origis energy reimagining zero?

Origis Energy is accelerating the transition to a carbon-free future by Reimagining Zero. As one of America's leading renewable energy and decarbonization solution platforms, the company continues to expand and reimagine its contribution to the world's net-zero goals.

Why should you partner with origis energy?

Bring clean, sustainable energy and all its benefits to you and your community when you partner with Origis Energy. The transition to lower cost clean energy

is a unique opportunity for landowners and the communities in which the projects are located. A solar project is a good neighbor.

How will origis energy help MUFG & Optimist?

"Our alliance with MUFG continues to move Origis projects forward in a time of unprecedented energy demand. Optimist and Wheatland will power the equivalent of over 100,000 homes annually. The storage component in Mississippi will add resiliency to the grid," said Vikas Anand, Chief Executive Officer, Origis Energy.
