

European Solar and Energy Storage Solutions

Paladin power Denmark

Overview

What is Paladin power TM?

Paladin Power TM is a leading residential and commercial energy storage solution (ESS). The Paladin Power TM ESS is a revolutionary technology that combines elegant design with unparalleled performance, and can power every circuit in a home so homeowners no longer have to compromise their lifestyle.

What is Paladin PowerTM ESS?

Why Paladin PowerTM ESS?

Eliminate worries about weather, blackouts and grid outages. Patented technology has 5+ years of research & development in field testing. Power your entire home, run the a/c and recharge your EVs. Works with any solar panels and can be AC or DC coupled.

Is Paladin power TM ESS safe?

Paladin Power TM ESS is battle-tested, making it one of the safest batteries on the market. It's design takes all or most of your loads away from the grid, not just a few critical loads. Assuming your inverter capacity is sized correctly, Paladin is a complete grid replacement.
