About Us

The Respect Energy Capital Group's portfolio includes infrastructure for the generation of green energy, including wind and photovoltaic farms in Poland (currently 264 MW), while the innovative cable-pooling method makes it possible to combine solar and wind energy infrastructure at large-scale investments.

About us , Respect Energy

We are a producer, seller, and purchaser of energy from renewable energy sources (RES). We sell exclusively 100% green energy. We have our own wind power plants and photovoltaic farms, but we also cooperate with producers of energy generated from RES, offering them favorable energy purchase terms.
