Rwanda solar generator for camping

Overview

Are solar powered generators good for camping?

If you're looking for a solar powered generator for camping that can keep you off-grid for days on end, the size of these bad boys is hard to beat. But they're hefty pieces of kit so make sure you have room in your car for them.

What can a solar generator be?

However, in these days of renewable energy, we're rethinking the idea of what a generator can be. Solar generators (a.k.a. portable power stations or portable power banks paired with a solar panel) seem to be everywhere now. It's no surprise: Solar generators are smaller, quieter, and more environmentally friendly than their predecessors.
