

European Solar and Energy Storage Solutions

Réunion preton energy

Overview

Who is Preton energy?

Preton Energy Ltd is an oil field engineering services company that is into various oil and gas services being focus on Tank/Vessel Cleaning, Installation and Facility Upgrade, Pipeline/Structural system, Fabrications and other related engineering operation in a manifold that enhances quality service delivery. OUR MISSION.

What is green energy revolution Reunion Island?

Until recently, Reunion Island had implemented the GERRI project , Green Energy Revolution Reunion Island. This economic and social development program centered on the sustainable development of Reunion Island and resulted from the “Grenelle Environment” French environment roundtables.

How did Reunion Island get its electricity?

Concluding discussion During the 1980s, Reunion Island's entire electricity supply came from renewable hydropower. As the population grew and quality of life improved, coal and oil were introduced to help meet increasing demand.

Can geothermal energy be developed on Reunion Island?

Geothermal energy also presents significant potential for development, with an installed capacity of 30 MW; however, the main problem for this resource on Reunion Island is its location in a protected natural area.

Can Reunion Island make its electricity 100% renewable?

Reunion Island's plan for making its electricity system 100% renewable involved a multi-fold process. This ambition was established in the law "Grenelle 1" No. 2009-967, whereby the French Ministry of Ecology mandated in April 2009 that all new constructions in overseas departments must install solar water heating.

How can a new energy system be made in Réunion?

This includes replacing sugar cane with different food crops; restricting urbanization; increasing the capacity for producing energy from waste; significantly scaling up photovoltaics that convert sunlight directly into energy; and convincing Réunion islanders to make certain lifestyle changes.

Mobility

PRETON ENERGY LITHIUM ION BATTERIES, ENHANCE. SAFETY RELIABILITY MILEAGE. We are committed to manufacturer quality lithium ion batteries and enhance end customer experience. Our Lithium ion battery is being produced in our state of art, equipped with world latest & fully automotive equipments manufacturing unit with all the necessary compliance

Mobility

Your 2 Wheelers performance & range will improve when paired with our superior quality Lithium batteries. Our Batteries manufactured in such a way to ensure best performance, range and at the same time comply with highest safety standards. It will ...

Preton Energy - The Energy Company you can trust

Preton provides industrial tank cleaning, Regardless of the size, shape or the material within the tanks, we have experienced personnel, equipped with the apparatus to deliver a safe, quality finish. We pride ourselves on our strategic approach to every tank cleaning project either remotely or with minimum man entry. Fully Trained, Skilled

The renewable energy revolution of reunion island

Reunion Island, a French overseas region located in the Indian Ocean, is facing a three-fold challenge combining demographics, the environment and energy. To limit its heavy dependence on imported fossil fuels, Reunion Island aims to achieve energy autonomy by 2030 based on greater energy efficiency and renewable energy alternatives.
