Lithium battery, li-ion battery, lithium battery, telecom ...

All lithium-ion batteries applied in various segments are being produced by world's best manufacturing and technology. We present all kinds of optimized solutions to meet customer's needs and offer differentiated values to our users ...

Sacred Sun is provider of lead

acid, lead carbon

Discover our Lithium plant in Qufu, China! We're delighted to introduce you to our plant dedicated to the manufacture of LFP cells and battery packs for telecommunications, UPS and energy storage applications. Location: Qufu, ...

High Voltage Li-ion Battery for UPS

High Voltage Lithium battery system, which integrated top-grade high discharge rate lithium-iron-phosphate (LiFePO₄) with build-in smart BMS with monitor and protection function! Designed with an LCD screen shows the main parameters and other monitor parts together, it's convenient for checking detailed data during use.

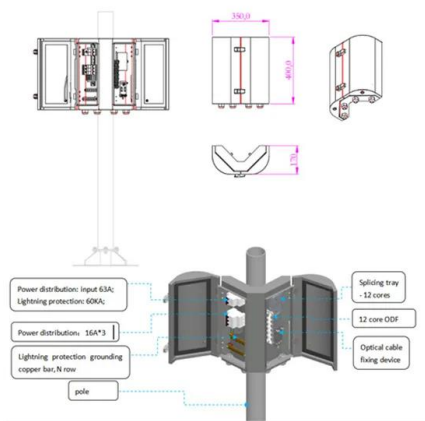

Sacred Sun Green Energy Solution Provider

With the goal of clean, environmental protection and sustainable development, Sacred Sun is committed to building green digital energy system solutions and providing global customers with integrated professional services of network power, smart power and green power.

About Sacred Sun_Sacred Sun Green Energy Solution Provider

About Sacred Sun. We provide High-quality products and customized green energy solutions. Ltd. was established and the cylindrical lithium battery project was launched. 2022. 2021.

Strategic holding by Shandong Guohui. 2021. 2020. Started the construction of lithium iron phosphate battery project. 2020.

Cylindrical Lithium Battery Cell

All lithium-ion batteries applied in various segments are being produced by world's best manufacturing and technology. We have System integration technology, Lithium ion battery manufacturing technology, BMSEMSRMS research and development technology.

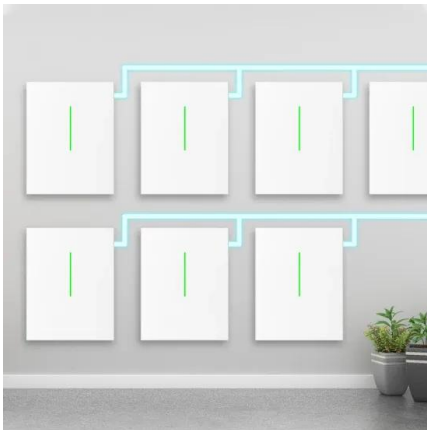

SmartPower 48V50Ah -3U

Built-in intelligent BMS to protect the battery pack at any time and IEC 62321 UL 1642 IEC 62133 UL 1973 Specifications SmartPower 48V50Ah (3U) SCIFP4850 lithium-ion battery system SCIFP4850, a powerful 48V LiFePO 4 battery product, has been Sacred Sun MEA FZE Add: No. 311 office, Building LOB 14, JAFZA, Dubai, UAE

FAQ

Sacred Sun FHL series battery, with its excellent cycle performance and fast charging performance, is the ideal choice for unstable power supply systems. Its innovational structural design has achieved the horizontal placement of plates, and therefore enables the batteries to be applied in more complicated working conditions.

Energy Storage battery, Solar battery, Renewable energy

Introduction. DCS series deep cycle battery, with special high-tin corrosion-resistant alloy and optimized positive grid structure design, and special negative active material formula, improve the charge acceptance ability, reduce the negative plate sulphation, more suitable for the partial state of charge (PSOC) application, it can be widely used in household energy storage system.

Lithium-ion battery

Sacred Sun provides Advanced BACKUP lithium-ion battery which is the core device of the future power business through world's best manufacturing facilities and technology. We present solutions to meet telecom customers' needs and offer differentiated values through high performance, long life, and safety.

Sacred Sun is provider of lead acid, lead carbon & lithium batteries

Sacred Sun is your french provider of batteries solutions for Network power, Industrial power, Energy storage Security and Transports. Sacred Sun Battery Provider. NETWORK POWER. Data center. Hybrid System. Telecom. ENERGY STORAGE. Centralized Storage System.
