

European Solar and Energy Storage Solutions

Saint Martin octillion company

Overview

Who is octillion?

Since 2009, with deep roots in California, Octillion continues to drive EV innovation forward. We do so by creating customized, value-driven battery systems for clients — at mass scale — to drive the clean energy shift to electrification across transportation, industrial equipment, and the grid.

Where is octillion made?

With customers around the globe, Octillion satisfies this need with manufacturing plants in key regions: North America, Asia, and South Asia. Our state-of-the-art facilities allow for nimble, value-based mass-production—enabling OEMs to affordably take their projects from concept-to-volume production with unrivaled speed, quality, value.

Who is octillion energy?

Octillion Energy Holdings, Inc. is a leading multi-national energy storage company that specializes in designing and manufacturing battery systems for major industries focused on electrified product lines.

Who founded octillion US?

Founding of Octillion US by Dr. Peng Zhou. Started development of cylindrical power battery pack system (BEST). Secured our first auto OEM partner and established a research and development and manufacturing center for EV series battery system. Completed our Series A financing and raised an aggregate amount of US\$1.0 million.

Where are octillion batteries manufactured?

More and more, as the world embraces electric transportation, the need for innovative battery systems manufactured sustainably, efficiently and cost-effectively is pronounced. With customers around the globe, Octillion satisfies this need with manufacturing plants in key regions: North America, Asia, and

South Asia.

What is Octillion purpose built power?

Octillion's new brand tagline, Purpose Built Power™ supports its vision to enable total customer success with battery systems that can drive an end user's belief that electric vehicles, whether personal or commercial, can do exactly what they need them to do—and then some.

St. Martin in the Fields Episcopal Church

Musings Dec. 16, 2024: O Holy Night. The Rev. Hentzi Elek, Rector, St. Martin's, Aurora, CO. O Holy Night: Nat King Cole. There are numerous Christmas songs that you can listen to, and our family enthusiastically recommends the entire album: The Magic of Christmas, 1960 sung by Nat King Cole. One of the Christmas carols Mr. Cole sings most beautifully is "O Holy Night."
