### Power Supply Solutions for Critical Communications

From powering mission critical communications to providing reliable backup electrical power for data centers or "comm-shacks", Samlex America has a wide range of two-way radio power supply solutions to meet your critical application.

### Samlex America Inc

Today, Samlex America is striving to be a recognized household brand in the field of power conversion products, like many other well-known manufacturers such as Apple, Toyota, or Finning. Our focus is to increase our company's value significantly and consistently to our customers and offer a level of customer service that is superior to that

### EVO(TM) Series Inverter/Chargers

Expand Your EVO(TM) Ecosystem. The EVO(TM) Series of inverter/chargers is available in 12V, 24V, or 48V options and in a wide power range to fit almost any application. Combine it with the advanced EVO(TM) Remotes to view performance detail in real-time and log historic power consumption, inverter function, battery charging activity, faults, and conditions.
