

European Solar and Energy Storage Solutions

Serbia panel power electro mechanical company I I c

Home Energy Storage (Stackble system)

High Efficiency

Easy installation

Safe and Reliable

Perfect
Compatibility

Product Introduction

- Scalable from 10 kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem

- LFP battery, safest and long cycle life
- Stackable design, effortlessly installation
- Capable of High-Powered
- Emergency-Backup and Off-Grid Function

Serbia panel power electro mechanical company l l c

HOME

Our company, which started its activities in 1976, serves in electrical and electro-mechanical sector. In the time course from its first day founded to today, with periodically manufacturing facility and machine investments, while keeping up with nowadays manufacturing technology and speed, with our products of which we ever made no compromise
