

European Solar and Energy Storage Solutions

Sierra Leone types of inverters for solar panels

Overview

AIMS Power inverters are available up to 8000 watts throughout Sierra Leone in 12 & 24 volt models for off-grid, mobile & emergency backup power applications. FREE SHIPPING (some products excluded).

AIMS Power inverters are available up to 8000 watts throughout Sierra Leone in 12 & 24 volt models for off-grid, mobile & emergency backup power applications. FREE SHIPPING (some products excluded).

From state-of-the-art solar panels to cutting-edge battery materials and advanced inverters, our product lineup is designed to empower you with sustainable energy solutions. Whether you're looking to harness solar power for your home or business, our products are engineered for performance, reliability, and longevity.

Tati Solar is a Sierra Leone based, innovative and independent provider of high-quality solar panel products from around the world. We specialize in the import and distribution of top-of-the-line solar panel and inverters from leading manufacturers.

We sell Suntech and African Energy Solar Modules ranging from 10 Watts to 270 watts. We are the primary supplier for both brands in Sierra Leone. Solar Module also called a solar panel, is a single photovoltaic panel that is an assembly of connected solar cells. Solar cells absorb sunlight as a source of energy to generate electricity.

- Ultra Durable - made from high grade plastic material
- Super Compatible - Suit with all types of Batteries and Inverter.
- Easy to assemble
- Top notch built wheels of premium quality
- Head - Turner- A perfect match of looks with your inverter battery set.
