Gebe signs letter of intent for solar panels project , SXM Talks

St.maarten--The management of Utilities Company Gebe and Sunshine Real Estate signed a letter of intent yesterday to supply the island with two megawatts of solar energy. Gebe wants to create a solar park at the two parking facilities on the Walter Nisbeth Road and on the roof of its power plant building.

ScienceAdviser: Giant planets ran amok soon after Solar System

The Solar System was not always the buttoned-down place it is now, with every planet, large and dwarf, in unerring orbits. For several decades, scientists have proposed that the only way to explain the Solar System's structure was a violent adolescent period, when the giant planets flung inward and outward, pulling planetary embryos in their

Energynautics: Solar panels key to St. Maarten's energy future, ...

A significant focus of the Energynautics report is the integration of renewable energy sources into St. Maarten's power grid. The consultancy identified solar PV installations as the most practical and viable option for the island's transition to cleaner energy.
