Slovakia dragonfly energy holdings corp

Overview

Who is Dragonfly energy?

Dragonfly Energy Holdings Corp. is a comprehensive lithium battery technology company, specializing in cell manufacturing, battery pack assembly, and full system integration.

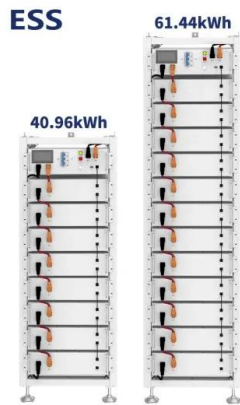

Is Dragonfly Energy a publicly traded company?

Dragonfly Energy, a Lithium-Ion battery manufacturer, has entered into a definitive agreement for a business combination with Chardan NexTech Acquisition 2 Corp (CNTQ), a special purpose acquisition company. As a result of this deal, Dragonfly Energy will become a publicly-traded company on the NASDAQ.

What makes dragonfly energy unique?

Dragonfly Energy differentiates itself through its cutting-edge cell manufacturing processes, including a proprietary dry electrode technique that fosters domestic production and paves the way for future solid-state battery advancements. Dragonfly Energy champions sustainability in cell manufacturing.
