SOCAL ENERGY

I picked Socal Energy. I had heard they had a promotion and that was also a plus for me. My

panels look great and the whole installation is working great. The app is great and lets me monitor my energy production and consumption in real time. I just got a check for \$512 for my October 2021- February 2022 savings.

Socal energy upgraded my windows to energy efficient windows. We are happy how it came out. We love the delta frost glass for privacy and tinted windows and doors at the front of the

condo. Frank walked us thru A to Z, whatever he promised was done to our expectation. Well recommended. Thanks again!
