FREE Delivery Across New Caledonia. EASY Returns & Exchange.

Solar Charge Controller Sizing and How to Choose One

When it becomes sunny again, the MPPT controller will allow more current from the solar panel once again. MPPT charge controllers are highly recommended for most large solar power systems. PWM charge controllers are typically only a viable option for portable applications such as for RV trips or possibly for a small off-grid cottage.

Modular design, unlimited combinations in parallel
BUILT-IN DUAL FIRE PROTECTION MODULE
