

European Solar and Energy Storage Solutions

Solar power hub

Overview

What is a SolarEdge Energy Hub inverter?

In 2020, SolarEdge launched its newest and most versatile home inverter: the SolarEdge Energy Hub Inverter. The aptly named Energy Hub, later rebranded as the "Home Hub," combines the functionality of all of SolarEdge's existing inverters under one hood.

What is SolarEdge Home Hub?

Home Hub is designed to provide precisely that flexibility and the standard inverter performance you would expect from SolarEdge. These capabilities are driven mainly by SolarEdge's Prism Technology, which is the software that allows for integrating other tech in the Home Hub ecosystem.

What is The GreenWorks PowerHUB?

Experience you can trust! The Greenworks PowerHub is an all-in-one Energy Storage System designed to provide you with backup power when the grid goes down, save you money on your utility bill, and reduce your carbon footprint. Thank you, your request has been submitted. We will get back to you shortly.
