

## European Solar and Energy Storage Solutions

# Spain energy storage north america 2025

## Overview

---

What is Intersolar North America & energy storage North America 2025?

Intersolar North America is the premier solar event that connects innovators and decision makers in the solar + energy storage industry. With a dynamic exh. Intersolar North America and Energy Storage North America 2025 is held in San Diego CA, United States, from 2/25/2025 to 2/25/2025 in San Diego Convention Center.

What is Spain's energy storage strategy?

Spain's government has approved an energy storage strategy that it says will put the country "at the forefront" of what is being done in Europe and help it move towards its 2050 climate neutrality target. The roadmap foresees the country ramping up its storage capacity from the current 8.3GW level to 20GW by 2030 and then 30GW by 2050.

Is energy storage North America part of Intersolar North America?

Energy Storage North America is part of Intersolar North America. Energy Storage North America was first combined with Intersolar North America in January 2022, in Long Beach, California.
