The proposed project aims to construct a new, modern power plant in Bequia with the inclusion of a 1300 kW Battery Energy Storage System (BESS) to enhance grid stability and improve the integration of supplementary renewable energy sources.

St Vincent and the Grenadines

Most of the best places to stay in St Vincent and the Grenadines are on expansive white-sand beaches, but we do have a few favourites nestled on the leafy estates of Bequia's interior. Most international arrivals will fly to St Vincent, by far the largest of the group at 133 square miles in size. The cobbled streets of Kingstown, the island
