Korea to support Tanzania in strengthening statistical systems

The promise was made by Republic of Korea Ambassador to Tanzania Dr. Kim Sun Pyo at the launch of TAsIS, an event held in Dodoma recently. He said Korea and Tanzania worked together to prepare the database, noting that such efforts could be extended to other countries, but there was a need to enhance cooperation to ensure that many Tanzanians

Tanzania

Yes, Tanzania lags in attracting venture capital, but the underlying causes are complex and deeply rooted. Proposing a government-backed venture capital fund as a solution oversimplifies these issues, missing the mark on what the startup ecosystem truly needs. The installation of solar systems at most of the country's health institutions
