Overview

We like the clean, uncluttered aspect of the BESTÅ line, but we needed unusual access to the cabinet.

Besides the cost of the BESTÅ cabinet, it cost an extra single cabinet. We already had the glue and the profile was few euros. It took a couple of.

We love that it doesn't look like a hack and that we could use all IKEA things. We did add a non-IKEA extra shelf, but that's because we wanted one whole shelf running the entire length. It was an elegant solution and ended up.

For some reason, cabinets 120 cm deep and 40 cm wide are not easily found on the market, so we had to hack the BESTÅ to a sofa console cabinet. This is the hacked end of the behind couch cabinet with narrow door access to deep storage space.

For some reason, cabinets 120 cm deep and 40 cm wide are not easily found on the market, so we had to hack the BESTÅ to a sofa console cabinet. This is the hacked end of the behind couch cabinet with narrow door access to deep storage space.

This DIY project showcases how my parents repurposed kitchen cabinets that fit perfectly into a bathroom space. From selecting the right cabinets to customizing them for unique needs, follow the step-by-step process of creating a stylish and functional vanity. Choose the IKEA cabinet that fits your design and budget best. The possibilities are .

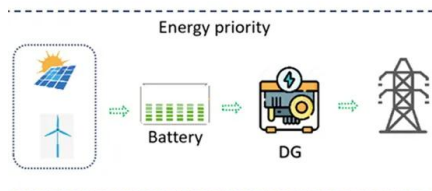

The BESTA is one of IKEA's most popular storage units, and for good reason: It can be crafted into a everything from a bar cart to a home library. Here are 15 clever DIY interpretations of the BESTA you can steal from.

With flexible storage and furniture, this living room can help life run a bit more smoothly - now, and in the future. Open and closed shelving behind the sofa keeps all your things nearby, and out of the way, and the generous yet compact sofa gives you plenty of room to relax.

Want built-in storage?

Use a couple (or a few) Ivar cabinets as a base for a desk. You can place a long piece of wood on top to act as your desk surface, or you could even use a piece of countertop if you're feeling extra fancy.
