PCS Limited

With the remoteness of the islands and limited access to centralised utilities, PCS also offers self supporting products suitable for the Vanuatu environment, including solar showers, hand spears, personal solar lighting and Lifestraw water filters.

SMARTPOWER(TM) , Ecolab

SMARTPOWER is the complete warewashing solution you can trust to deliver the visibly brilliant results you need and your customers expect, first time, every time. It's more than just cleaning products. It's a smarter cleaning program that works harder by combining proprietary chemistry, innovative technology, with actionable performance data to deliver results you can rely on.

VANPAWA

VAPAWA is a newly established utility in 2022 and a subsidiary of the Vanuatu National Provident Fund (VNPF). When UNELCO's electricity concession contracts for Malekula (Lakatoro) and Tanna (Lenakel) expired in 2020, the Department of Energy (DoE) resumed the interim operations of the concessions while the concession contracts were being

Vanuatu launches country's first-ever community-run solar station ...

Launched in September in the communities of Wintua and Lorlow, the micro-grid is Vanuatu's first-ever community-run power system: members of the communities own and manage it. This keeps energy costs low as there are no external operation costs or profit margin are usually incorporated into an electricity fee and passed onto consumers.

About Smartpower Electric Bikes: Quality E-Bikes

SmartPower quickly grew and was known for their friendly and reliable service selling high quality Ebikes Nationwide. In 2024 Ed exited the business and we brought it and relocated it from Motuaka to the Northland town of Waipu. We offer the same high quality components such as Bafang, Shimano, Kenda, Tektro, Zoom etc.
