## Ventyx energy Malawi

---

### Tenergy mw

TENERGY is dedicated to facilitating the widespread availability of affordable clean energy solutions in Malawi. Our mission is fueled by a commitment to overcome the logistical and financial barriers that impede access to clean energy, leading to energy poverty and stalling economic progress in many parts of the country.

### Ventyx Energy Deal Commentary

The acquisition of Ventyx ( ) by ABB ( ) announced on May 5, has the look of a bellwether deal in the energy and environment sector. This all cash deal at \$1B, a 4X TTM revenue multiple, is excellent and should inspire other sellers to test the market.
