Volt Greece

Volt Greece was founded in 2018. [1] In July 2022, the group elected its first executive secretariat, with Nikolas Fournarakis and Olga Dourou as co-chairs, and Electra Rome Dochtsi as secretary. An ethics committee was also established, chaired by Demetrios Velis. The two bodies were tasked with preparing its establishment as a party. [2] On 4 October 2022, the party was ...

Full list: Plug, socket & voltage by country

If you take a scroll down the page, you will notice that most countries have a well-defined plug and voltage standard. Many Latin-American, African and Asian countries, however, use a motley collection of - often incompatible - plugs and sometimes also the voltage differs from region to region.
