DUAL FUEL SUPPLY SYSTEM SOLUTION_Solution_YADA GREEN ENERGY SOLUTIONS

DUAL FUEL SUPPLY SYSTEM SOLUTION. YADA and MAN Cryo reached global strategic cooperation agreement based on dual fuel supply system for marine projects, which covers LNG, methanol, ammonia, hydrogen, etc., providing customers with the full life cycle services of basic design, detailed design, analysis & simulation, production design, manufacturing, installation ...

Yada Green Energy Solutions Co., Ltd.

The Leader of Green Ship Pipeline Equipment Integration Solutions. Yada Green Energy Solutions Co., Ltd. was established in 1993, provides full lifecycle services to customers from principle design, Stress analysis, detail design, components manufacturing, spool prefabrication, skids integration, installation, safety monitoring, operation and

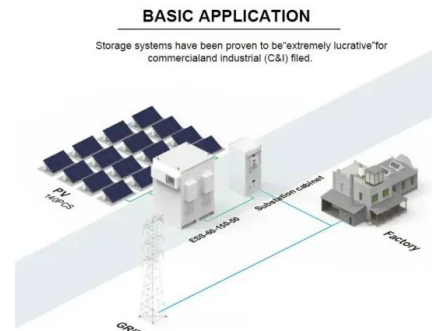

Double Wall Pipe-Yada Green Energy Solutions Co., Ltd.

YADA can provide customers with low pressure and high pressure gas ventilation double wall pipe, positive pressure Nitrogen filed double wall pipe vacuum insulation double wall pipe and related products and solutions. At the same time, YADA takes a leading position in China in the field of double wall pipe design, product specifications, vessel

Expertise_YADA GREEN ENERGY SOLUTIONS CO., LTD.

German subsidiary: YADA Green Energy Solutions GmbH(Hamburg) Address: Rudolf Diesel Str. 16. 22941 Bargteheide, Germany. Email: wzt@cnyada lbj@china-yada . Overseas website: <https://global.cnyada> . Contact: +86 188 5831 5643

YADA GREEN ENERGY SOLUTIONS CO., LTD.

yada green energy solution co., ltd. Focusing on stainless steel pipeline system and integrated solutions, covers the whole process from raw material to detail design, manufacturing, installation and maintenance, YADA provides pipeline system related comprehensive services to global customers in marine engineering, energy and chemical industry.

STEEL PIPE_STEEL PIPE_Product_YADA GREEN ENERGY SOLUTIONS CO., LTD.

FULL CHAIN MANUFACTURING, SEIKO QUALITY YADA has 12 product lines, from seamless steel pipe, welded pipe, pipe fitting, flange to bracket, prefabricated pipe, double-wall pipe, pump tower and module, creating the only fully equipped flexible manufacturing enterprise in China to ensure the quality and quantity of products delivered to customers in various industries.

Double Wall Pipe-Yada Green Energy Solutions Co., Ltd.

YADA has obtained "continuous vacuum insulation double-wall pipe production and installation process" and other dozens of double-wall pipe related patents, posses complete independent intellectual property rights.

CO., LTD.

YADA has 12 product lines, from seamless steel pipe, welded pipe, pipe fitting, flange to bracket, prefabricated pipe, double-wall pipe, pump tower and module, creating the only fully equipped flexible manufacturing enterprise in China to ensure the quality and quantity of products delivered to customers in various industries.

Business Scope_YADA GREEN ENERGY SOLUTIONS CO., LTD.

YADA has the manufacturing strength of the whole industry chain and the quality management system of the whole process. YADA products are delivered to global customers with seiko quality. YADA products have successively served tens of thousands of projects in the field of clean energy such as high-end ships and ocean engineering.

About_YADA GREEN ENERGY SOLUTIONS CO., LTD.

With the vision of becoming the leader of green marine pipeline equipment integration solutions, in order to maximize customer benefits, YADA is committed to developing upmarket equipment manufacture industry, focusing on providing

integrated solutions for advanced ships, marine engineering and clean energy, as well as cost-effective modular

Expertise_YADA GREEN ENERGY SOLUTIONS CO., LTD.

YADA has set up a technology research and development center, with a technical design team of more than 100 people, and establish an industry-university-research mechanism in cooperation with shipbuilding institutes, aerospace institutes, Zhejiang University, Jiangsu University of Science and Technology and other universities and research institutes.

Dual Fuel Supply System-Yada Green Energy Solutions Co., Ltd.

YADA and MAN Cryo reached global strategic cooperation agreement based on dual fuel supply system for marine projects, which covers LNG, methanol, ammonia, hydrogen, etc., providing customers with the full life cycle services of basic design, detailed design, analysis & simulation, production design, manufacturing, installation and

FULL CHAIN MANUFACTURING, SEIKO QUALITY
 YADA has 12 product lines, from seamless steel pipe, welded pipe, pipe fitting, flange to bracket, prefabricated pipe, double-wall pipe, pump tower and module, creating the only fully equipped flexible manufacturing enterprise in China to ensure the quality and quantity of products delivered to customers in various industries.

Responsibility__YADA GREEN ENERGY SOLUTIONS CO., LTD.

YADA actively responds to the call of the state, in various fields such as international shipping and ocean engineering, facing the direction of green and low-carbon development, actively layouts related product design and research and development focusing on LNG energy, and actively carries out technology reserve and research and development in hydrogen energy, ammonia ...

Anniversary__YADA GREEN ENERGY SOLUTIONS CO., LTD.

FAITHFUL YADA. YADA was established in 1993, after 30 years of continuous cultivation and exploration, gradually improve the manufacturing capacity of the whole industry chain from primary manufacturing to quaternary manufacturing, and become a leader in integrated solutions for green marine pipeline equipment, achieving mutual benefits for all levels.
